## Leader Encouragement

Snack time may seem simple, but it is a powerful opportunity to connect with children. Sometimes the best conversations happen while kids are sitting together eating.

Your kindness, encouragement, and willingness to serve helps children feel welcomed and loved.

Remember:

- A smile makes children feel safe
- A question helps them remember the lesson
- A kind word can make a lasting impact

Most importantly, remember that **Jesus is working in the hearts of these children all week long.**

## Day 1 Devotion — Jesus Is With Us, So We Do Not Fear

**Scripture:** Joshua 1:9
*"Be strong and courageous… for the Lord your God is with you wherever you go."*

Today the children will learn that they never have to be afraid because Jesus is always with them. As the snack leader, you may feel busy, rushed, or behind at times — but remember, God is with you in every moment.

Even preparing snacks can be a way to serve Jesus. When you hand a child food, smile, or help clean up, you are showing God's love in a real way.

**Prayer:**
Lord, thank You for being with me today. Help me serve with joy and not fear. Use even the small things I do to show Your love to the children. Amen.

## Day 2 Devotion — Jesus Teaches Us to Be Humble

**Scripture:** John 13:14
*"Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet."*

Jesus showed humility by serving others. The snack leader has a very important job, even if it feels behind the scenes.

God sees every cup poured, every plate handed out, and every mess cleaned up. Serving others with a humble heart pleases Him.

Today, ask God to help you serve with love, patience, and kindness.

**Prayer:**
Jesus, help me serve with a humble heart today. Let my actions show Your love to every child and leader. Amen.

Because we are in Christ, we stand in victory. Thank God today for the chance to serve Him and the children.

# Sharing the Gospel with Children

Vacation Bible School is a wonderful opportunity for children to hear about the love of Jesus and begin to understand what it means to follow Him.

During the week, some children may ask questions about God, faith, or how to become a Christian. Leaders should be prepared to respond in a simple and loving way.

When explaining the gospel to children, it is helpful to keep the message clear and easy to understand.

**God Loves Us**

Begin by helping children understand that God created them and loves them very much. God desires a relationship with each person.

**Sin Separates Us from God**

Explain that sin is when we choose to disobey God or do things our own way instead of His way. Sin separates us from God, and we cannot fix that separation on our own.

**Jesus Came to Save Us**

Tell children that because God loves us so much, He sent His Son, Jesus. Jesus lived a perfect life, died on the cross for our sins, and rose again so we could be forgiven and have new life.

**We Can Choose to Follow Jesus**

When a person believes in Jesus and chooses to follow Him, their sins are forgiven and they begin a new life with God.

Children may express this decision through a simple prayer, asking Jesus to forgive their sins and help them follow Him.

**Praying with a Child**

When you see a child ready to receive the gift of salvation, remember to make it simple and easy just as God the Father planned for it to be.

**A Prayer for Salvation**

Heavenly Father I come to you in the Name of Jesus and based on your Word stating … that if I confess with my mouth the Lord Jesus and believe in my heart that you Father God have raised Him form the dead, you will be saved. (Romans 10:9)

So, I come to you Father saying I believe in my heart that Jesus Christ is your Son, and I believe Jesus died and was raised from the dead, resurrected by you Father God, and I am saying Jesus Christ is my Lord.

I know I am saved, and I now have joined your family as your child. I thank you Father God in the Name of Jesus, Amen.

After praying, celebrate with the child and encourage them to talk with their parents or guardians about their decision.

Remember that God is at work in each child's heart. Your role is to lovingly guide them and help them understand the truth of the gospel.
