Creation Station – Craft Leader Guide

The Creation Station is where children create fun crafts that remind them of the Bible lesson each day during **Kingdom Kids Safari Forest Adventure VBS**.

Craft time helps children remember what they learned, express creativity, and take home something that reminds them of God's Word.

Each day includes two craft options so leaders can choose what works best for their group size, time, and supplies.

The goal of the Creation Station is not perfection, but participation, learning, and joy.

Purpose of the Creation Station

• Help children remember the daily Bible lesson
• Give children a hands-on activity
• Encourage creativity
• Reinforce the truth about Jesus
• Allow children to take home a reminder of VBS

Leader Responsibilities

• Prepare materials before children arrive
• Demonstrate the craft clearly
• Assist children who need help
• Keep the activity moving on schedule
• Connect the craft to the Bible lesson

Important Reminder for Leaders

Children may not remember every word of the lesson, but they often remember what they made.

Use craft time to remind them:
Jesus loves them
Jesus is with them
Jesus gives them victory.

Creation Station

Leader Encouragement

Thank you for serving in the **Creation Station**!

Your time, creativity, and patience help children learn about Jesus in a fun and meaningful way.

Every craft you help make…
Every child you encourage…
Every smile you give…

God can use it to plant a seed in a child's heart.

Your kindness, encouragement, and willingness to serve helps children feel welcomed and loved.

Remember:

• A smile makes children feel safe
• A question helps them remember the lesson
• A kind word can make a lasting impact

Most importantly, remember that **Jesus is working in the hearts of these children all week long.**

Thank you for being part of what God is doing through **Kingdom Kids Safari Forest Adventure VBS**.

Notes:

Sharing the Gospel with Children

Vacation Bible School is a wonderful opportunity for children to hear about the love of Jesus and begin to understand what it means to follow Him.

During the week, some children may ask questions about God, faith, or how to become a Christian. Leaders should be prepared to respond in a simple and loving way.

When explaining the gospel to children, it is helpful to keep the message clear and easy to understand.

God Loves Us

Begin by helping children understand that God created them and loves them very much. God desires a relationship with each person.

Sin Separates Us from God

Explain that sin is when we choose to disobey God or do things our own way instead of His way. Sin separates us from God, and we cannot fix that separation on our own.

Jesus Came to Save Us

Tell children that because God loves us so much, He sent His Son, Jesus. Jesus lived a perfect life, died on the cross for our sins, and rose again so we could be forgiven and have new life.

We Can Choose to Follow Jesus

When a person believes in Jesus and chooses to follow Him, their sins are forgiven and they begin a new life with God.

Children may express this decision through a simple prayer, asking Jesus to forgive their sins and help them follow Him.

Praying with a Child

When you see a child ready to receive the gift of salvation, remember to make it simple and easy just as God the Father planned for it to be.

A Prayer for Salvation

Heavenly Father I come to you in the Name of Jesus and based on your Word stating … that if I confess with my mouth the Lord Jesus and believe in my heart that you Father God have raised Him form the dead, you will be saved. (Romans 10:9)

So, I come to you Father saying I believe in my heart that Jesus Christ is your Son, and I believe Jesus died and was raised from the dead, resurrected by you Father God, and I am saying Jesus Christ is my Lord.

I know I am saved, and I now have joined your family as your child. I thank you Father God in the Name of Jesus, Amen.

After praying, celebrate with the child and encourage them to talk with their parents or guardians about their decision.

Remember that God is at work in each child's heart. Your role is to lovingly guide them and help them understand the truth of the gospel.
